For each Intermediate Sprint, the first two riders will be prizes.

For each Mountain Great Prize the first three riders will be prizes.

Art. 14 – Prizes

The prizes will be paid at the end of the race according to the national tables for the top 10 classified. The prizes will be subject to the tax provisions in force in Italy. Any extra-ranking prizes can be brought to the attention of the athletes with a specific communication before the start of the race.

The payment of the prizes will be made directly on site at the end of the race.

Art.15 - Anti-doping controls:

Any Anti-doping control will take place in accordance with current FCI / UCI regulations and will be carried out at the I. S. I. S. School "Sandro Pertini" Via Valentinis 21. In addition, an anti-doping control ordered by the competent authorities of the Italian State may also be carried out, in accordance with the provisions of Italian legislation.

Art.16 – Award Ceremony Protocol:

The first three classified riders must present themselves at the ceremony, within 10 minutes of finishing the race in the duly indicated space.

Art.17 – Sanctions:

The applicable sanctions are those provided for in the "Prospetto Unico Infrazioni e Sanzioni" (PUIS), as well as those provided for by the UCI Regulations.

Art.18 – Medical Service:

The Medical Service will be provided by three ambulances by "Croce Verde Goriziana" and a medical car with doctor on board.

The hospital plan along the road race is:

- Hospital of Monfalcone, Via Galvani, 1 - 34074 Monfalcone GO - tel. +39 0481 4871
- Hospital of Gorizia, Via Fatebenefratelli, 34 - 34170 Gorizia GO - tel. +39 0481 5921

Art.19 – Environmental Preservation:

In compliance with the environmental preservation policy supported by the U.C.I. and in order to not discard waste during the race, we call upon the civic sense of the participants to not discard the waste along the route.

Art.20 - Safety rules and organizational provisions, Highway Code:

Considering that the race is run through state and provincial roads with considerable flow of vehicular traffic, the Race Management reserves the right to arrange the withdrawal of the athletes with a delay deemed unbridgeable and without protection either from the organization or from the law enforcement agencies for protection of their own and others' safety and also to avoid serious traffic problems. Delays will also be determined by the times set by the authorization and by the decree of temporary suspension of circulation regardless of the maximum time provided for by the travel regulations. The event will be opened and closed by vehicles bearing the sign "Inizio Gara Ciclistica" and "Fine Gara Ciclistica". Athletes and cars not included in this space must be considered as out of the race. With the permission of the Race Direction, overtaking is prohibited on downhill stretches and where the roadway is narrow and at any point on the route where the Race Direction deems it necessary.

Art.21 - General provisions:

Only those persons who have technical functions and hold positions arranged by the organization may follow the race, in addition both the persons and the vehicles accredited must be provided with the appropriate identification marks, and equipped with a radio receiver and comply with the regulations in force. Any changes must be promptly notified to the race direction. No responsibility of any kind lies with the organizing body for damage caused by accidents, before, during and after the race to spectators and to people in general, even if unrelated to the event itself, depending on the action not implemented by the organization. Athletes taking part in the event take full responsibility and by signing the start sheet they accept all the points of this regulation.

For matters not covered by this regulation, the UCI and FCI regulations apply, as well as the laws of the Italian State as applicable.
