## MONFALCONE CITY AND SURROUNDINGS

## TOP TOURIST ATTRACTIONS

Monfalcone  
Eventi

*Located between the Karst and the Adriatic Sea, Monfalcone is known as "The city of shipyards".*

*It offers a rich program of cultural, food and wine, sport and music events. We highly recommend visiting the Shipbuilding Museum (MuCa), the Fortress - the symbol of the city - the Theme Park of The Great War and the Municipal Gallery of Contemporary Art.*
